

AIR FREIGHT

LOGISTICS ON ALL CONTINENTS

Your destination is our mission. BRELOG's logistics experts ensure 24/7 that your goods always arrive at their destination on time – flexible and worldwide. Via air freight, our team is quick to respond with strong partners all over the world, so that the entire globe is open to your products and services. With us, you can reach over 10,000 destinations on five continents.

We are able to respond dynamically to short-term and urgent needs, and in the field of air freight we offer a complete service from packing and customs clearance to delivery directly to your door.

Take advantage of the transit time advantage compared to pure sea freight or cost advantage compared to pure air freight with our sea-air transports. Together with BRELOG you will find the optimal balance for your goods and reach your destination faster than with pure sea freight or rail freight.

Optimize your organization of air freight of your goods now and choose BRELOG as your worldwide partner for reliable logistics services by air.

SEA-AIR ADVANTAGES AT A GLANCE

- **Large network:** Benefit from our excellent contacts on all continents.
- **Efficient to your destination:** Our sea-air routing via hubs in Singapore and Dubai saves you up to 50 percent transit time compared to ocean freight and up to 50 percent in costs compared to air freight only.
- **Sustainable delivery:** Sea-Air transports reduce the CO2 emissions of your goods delivery by up to 45 percent.
- **Reliable at all times:** Benefit from our fixed service agreements with shipping companies and airlines.

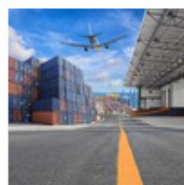

THESE ARE THE SERVICES WE OFFER IN THE AIR FREIGHT SECTOR

With BRELOG's support, the whole world is open to your company. Based on your specifications and wishes, our experienced experts will find an optimal connection. Consolidation, express and hand-carry create optimised logistics solutions for your company. We bring your freight to any place in the world.

Take advantage of our expertise in air freight now and work with a strong partner.

Service Portfolio:

- **Flexible response:** Even orders at short notice do not pose a challenge to our air freight experts.
- **Sea-Air-Transports:** The combination of different means of transport offers them interesting financial and time alternatives to pure air freight or sea freight.
- **Door-To-Door:** With us your goods arrive directly and without detours at the customer. Trustworthy and secure.
- **Customs clearance:** BRELOG takes care of customs clearance and the preparation of all necessary documents and records on your behalf.
